- Submit button

(above information should be displayed by web browser)

Solution:

```
<html>
<head>
  <title>
    personal information
  </title>
</head>
<body bgcolor="#9400d3">
  <form>
    <center>
      <table>
        <tr>
          <td><h1 style="font-size: 20">Name
:./td><br><br>
          <td><input type="text" name="name"
size="20"><br>
          </td><br>
        </tr>
        <tr>
          <td><h1 style="font-size: 20">Age
:./td><br><br>
          <td><input type="text" name="age"
size="2"><br>
          </td>
        </tr>
      </table>
    </center>
  </form>
</body>
</html>
```

```

:./td><br><br>
size="20"><br>

</td>
</tr>

<tr>
<td><h1 style="font-size: 20">Email

<td><input type="Email"

</td>
</tr>
</table>
<br><br><br><br><h1 style="font-size: 20">
<input type="submit" name="submit">
</center>
</form>
</body>
</html>

```

The screenshot shows a web browser window with the title 'personal information'. The address bar shows the file path 'C:/Users/ELCOT/Documents/abc.html'. The main content area has a solid purple background. Centered on this background is a white form with the following elements:

- Name :** followed by a long white text input field.
- Age :** followed by a short white text input field.
- Qualification :** followed by a long white text input field.
- Email :** followed by a long white text input field.
- Submit** : a small rectangular button located below the input fields.

The Windows taskbar is visible at the bottom of the screen, showing the search bar and various application icons.
