The screenshot shows a web browser window titled "personal information" with a single tab. The address bar displays the file path: "C:\Users\cobha\Desktop\projects\Team%20leader\Anupama\Assignment%201\resume.html". The main content area has a light blue background and contains a form with the following elements:

- Name :** followed by a text input field.
- Age :** followed by a text input field.
- Qualification :** followed by a text input field.
- Email :** followed by a text input field.
- A **Submit** button centered below the input fields.

The Windows taskbar is visible at the bottom, showing the search bar and various application icons.
